## Volunteer Role Profile

<b>Organisation:</b>	<b>Tees Rivers Trust</b>
<b>Role title:</b>	<b>Invasive Non-Native Species (INNS) Volunteer</b>
<b>Reports to:</b>	<b>John Musham, Invasive Non-Native Species Co-ordinator</b>
<b>Working hours:</b>	<b>Variable to suit volunteer</b>
<b>Timescale:</b>	<b>Unrestricted</b>
<b>Location:</b>	<b>Tees Rivers catchment area; all accessible areas along the river Tees and its tributaries.</b>
<b>Salary:</b>	<b>Unpaid</b>
<b>Expenses:</b>	<b>Travel and out of pocket expenses, only when approved beforehand</b>
<b>Recruitment method:</b>	<b>Informal chat</b>

### Background information

The Heart of Teesdale Landscape Partnership is dedicated to conserving the natural and historic landscape for the people of Teesdale, visitors and for future generations; it relies on the support and commitment of volunteers and local communities. The INNS project is being delivered as part of this programme by the Tees Rivers Trusts and is a catchment wide programme with a number of objectives. These include identification and mapping of INNS, the eradication of Giant Hogweed, early warnings of INNS entering the catchment area and working with volunteers, groups and other partners to form a joined up approach.

### Role summary

To become actively involved in identifying and mapping INNS to support the INNS Co-ordinator in delivering the project within the Heart of Teesdale area.

### Key tasks

- Familiarisation with INNS so identification can be made
- Walk routes / target areas to identify INNS
- Record all findings of INNS on maps and share these with the INNS Co-ordinator
- Adhere to relevant Health and Safety procedures

### Skills required

- Basic map reading to identify areas of work and record information
- Interest in learning plant identification
- Generally physically fit
- Ability to follow instructions

*Continued overleaf.*

## **Training and information provided**

- Basic Health and Safety training
- Training to identify INNS

### *Additional responsibilities*

- Comply with the Tees Rivers Trust Health and Safety Policy in all activities.
- Comply with the Tees Rivers Trust Equal Opportunities Policy and Procedure in all activities.
- Maintain a proactive approach in dealing with the public, other volunteers and partner organisations, representing a positive image of the Tees Rivers Trust
- Undertake any training and development deemed necessary for the pursuance of the role.
- Any other duties commensurate with the level of the role.

These are responsibilities which we expect all of our volunteers to undertake.
